

Dear ACCE Members,

It is election time.

Serving ACCE to establish an effective platform for Chinese corrosion engineers is always a privilege and honor for all of us, at least it was the case for me in 2005-2007. It requires tremendous dedication and passion for helping others and promoting friendship and professional organization culture. Check our website: <http://acceinternational.org/> and we do have one.

They are volunteers and we should support them! It is simple but very important.

By saying so, I am excited to announce three new ACCE officer candidates in 2011, who will be working closely with the new president, Dr. Xihua He, to whom I always have a lot of respect for her selfless serving for ACCE over the years.

Here are our outstanding candidates:

Candidate for Vice President: [Dr. Bo Ning](#);

Candidate for Secretary: [Dr. Chong Li](#);

Candidate for Treasurer: [Dr. Adan Sun](#);

On behalf of the ACCE Election Committee (Hongbin Wang, Wei Sun, Aaron Fu, David Wang, Frank Song, and Ziru Zhang) and the new president of ACCE 2011, Dr. He, I sincerely encourage you to support ACCE by casting your vote (Yes or No to approve the slate of officers above), by expressing our willingness to help, and by joining us in the annual banquet during NACE conference.

Yes, it only takes you two minutes to reply. And it is our first step to support them.

Precisely, please vote YES or NO to either the group of candidates or to each individual candidate.

We will close the election on **MARCH 11, 2011.**

Thank you for your participation. We are excited to see a new, strong team and are expecting strong performances in the term of 2011-2012.

Yours truly,

Hongbin Victor Wang,

ACCE 2011 Election Committee Chair
