
RESUME

Name: JINGLI LUO
Rank: Professor
Address: Department of Chemical and Materials Engineering
University of Alberta
Edmonton, Alberta, T6G 2G6
Telephone: (780)492-2232
Fax: (780)492-2881
E-mail: jingli.luo@ualberta.ca

EDUCATION

1986-1992 **Ph.D.**
McMaster University
Department of Materials Science & Engineering
Hamilton, Ontario, Canada

1978-1982 **B.Eng.**
Beijing University of Iron and Steel Technology
Department of Physics and Chemistry of Metals
Beijing, China

EMPLOYMENT HISTORY

July 02 - **Professor**
July 99 - June 02 **Associate Professor**
May 95 - June 99 **Assistant Professor**
University of Alberta
Department of Chemical and Materials Engineering
Edmonton, Alberta, Canada

1994-1995 **Research Associate**
Royal Military College
Department of Chemistry and Chemical Engineering
Kingston, Ontario, Canada

1992-1994 **Post Doctoral Fellow**
McMaster University
Institute for Materials Research
Hamilton, Ontario, Canada

1982-1986 **Instructor**
Beijing University of Iron and Steel Technology
Department of Physics and Chemistry of Metals
Beijing, P.R. China

PUBLICATIONS (since 1996)

70 Journal publications since 1996.

PROFESSIONAL ACTIVITIES

- Member of NSERC Grant Selection Committee (GSC 04), 2001-2004.
- Member of Organizing Committee of 2001 Canadian Fuel Cells Systems Workshop, May 24-25, 2001.
- Member of Organizing Committee of 8th International Symposium on Passivity of Metals and Semiconductors, May 9-14, 1999.
- Chair of Library/ Scholarship, Edmonton Section of National Association of Corrosion Engineers, International. 1999-present.
- Session Chair of 38th Annual Conference of Metallurgists, August 22-26, 1999.
- Program Chair, Edmonton Section of National Association of Corrosion Engineers, International. 1998-1999.
- Chair of Poster Session/Student Activities of 37th Annual Conference of Metallurgists, August 16-19, 1998.
- Member, The Editorial Board for the Canadian Metallurgical Quarterly (CMQ). (1996-present)
- Member of the Electrochemical Society.
- Member of the National Association of Corrosion Engineers.
